These Terms of Service are the entire agreement between you and us with respect to the Services, including use of the Site, and supersede all prior or contemporaneous communications and proposals (whether oral, written or electronic) between you and us with respect to the Services, including any prior version of these terms. If any provision of these Terms of Service is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that these Terms of Service will otherwise remain in full force and effect and enforceable. The failure of either party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further rights hereunder. In addition, these Terms of Service shall supersede any conflicting or contradictory terms contained in any purchase order, order form or any other document you submit to any of Qlik's designated vendors in connection with your purchase of a subscription to the Services and any such conflicting or contradictory terms will be of no force or effect as applied to Qlik.

13.2. Force Majeure. We shall not be liable for any failure to perform our obligations hereunder where such failure results from any cause beyond our reasonable control, including, without limitation, mechanical, electronic or communications failure or degradation.

13.6. No Waiver; Headings. Our failure to enforce any part of these Terms of Service shall not constitute a waiver of our right to later enforce that or any other part of these Terms of Service. Waiver of compliance in any particular instance does not mean that we will waive compliance in the future. In order for any waiver of compliance with these Terms of Service to be binding, we must provide you with written notice of such waiver through one of our authorized representatives. The section and paragraph headings in these Terms of Service are for convenience only and shall not affect their interpretation.

14. Special Provisions and Exceptions

14.1.1 If you usually reside in Germany or Austria, then Section 10 will not apply. Instead, subject to the provisions in 14.1.2, Qlik's statutory liability for damages shall be limited as follows: (i) We shall be liable only up to the amount of damages as typically foreseeable at the time of entering into the contract in respect of damages caused by a slightly negligent breach of a material contractual obligation (i.e. a contractual duty the fulfilment of which is essential for the proper execution of the contract, the breach of which endangers the purpose of the contract and on the fulfilment of which you regularly rely); (ii) We shall not be liable for damages caused by a slightly negligent breach of a non-material contractual obligation.

14.1.2 The aforesaid limitation of liability shall not apply to liability under the German Product Liability Act, liability for assuming a specific guarantee or liability for damages caused by willful misconduct or gross negligence, or any kind of willfully or negligently caused personal injuries.

14.1.3 You shall take all reasonable measures to mitigate and/or to avoid damages, including, in particular, an obligation for Licensee to make back-up copies of data on a regular basis and to carry out security checks. Regardless of the legal grounds giving rise to liability, you shall not be liable for indirect and/or consequential damages, including, in particular, loss of profit and loss of interest, unless any such damage has been caused by our willful misconduct or gross negligence.

14.1.4 To the extent our liability is limited or excluded, the same shall apply in respect of any personal liability of our legal representatives, employees, suppliers, resellers and vicarious agents.
