Qlik Nonprofit Software Discount Program Eligibility

Qlik

Licensing

Qlik offers several licensing options to meet the needs of nonprofit organizations through its Nonprofit Software Discount Program. Eligible nonprofits can receive a 50% discount on Qlik Data Analytics licenses, free Qlik Continuous Classroom training, and discounted rates for Qlik Professional Services as available.

Eligible Organizations

Nonprofit or charity institutions are eligible for the Qlik Nonprofit Software Discount Program if they have a declared and verifiable charitable or philanthropic mission to benefit communities, including, but not limited to: providing humanitarian or disaster relief, supporting global health initiatives, advancing civil society, delivering education, restoring the environment, and championing human rights. To be eligible, organizations must be a 501(c)(3) organization qualified by the Internal Revenue Service. Nonprofit or charity institutions located outside of the United States must provide documentation that validates their charitable and nonprofit status in their respective country. Qlik will provide a list of acceptable documentation to meet this requirement upon request.

Ineligible Organizations

The following institutions are ineligible under the Qlik Nonprofit Software Discount Program:
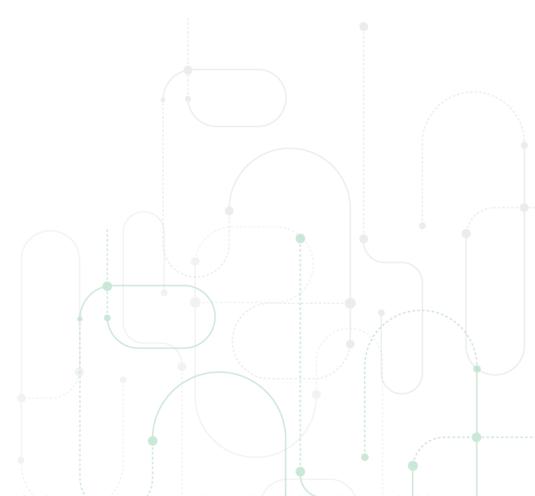

- Nonprofit organizations without recognized charitable status in their respective country;

- Organizations driven by a political agenda;

- Healthcare providers without substantial funds raised from public fundraising**;

- Federal, state, and local Governmental organizations or agencies;

- Public and Private Education Institutions, including K-12 schools, colleges and universities***;

- Commerce and trade associations without charitable aims or activities benefitting nonmembers;

- Political and labor organizations

** Healthcare providers without substantial funds raised from public fundraising can participate as a supporting partner organization. Please contact Qlik for more details.

*** Higher education organizations may apply for the Qlik Academic Program Grant for Qlik licenses to be used in a classroom education setting. Please contact Qlik for more details.

Nondiscrimination Policy

Qlik values and respects diversity and is committed to providing an inclusive environment that is welcoming and free from discrimination. Therefore, organizations that engage in discrimination in their employment practices and/or provision of services on the basis of categories protected by law such as race, color sex, national origin, religion, age, disability, gender identity or expression, marital status, pregnancy, sexual orientation, political affiliation, union membership, and veteran status may be deemed ineligible to participate in this program.

About Qlik

Qlik's vision is a data-literate world, where everyone can use data and analytics to improve decision-making and solve their most challenging problems. Our cloud-based Qlik Active Intelligence Platform delivers end-to-end, real-time data integration and analytics cloud solutions to close the gaps between data, insights and action. By transforming data into Active Intelligence, businesses can drive better decisions, improve revenue and profitability, and optimize customer relationships. Qlik does business in more than 100 countries and serves over 38,000 active customers around the world.
