LEAD WITH DATA™ Qlik Q

Look something up. Learn something new. Our Qlik Continuous Classroom is here, when you need it

Customer Reviews ☆

"Qlik Continuous Classroom has helped me stay abreast with the latest on how Qlik can be leveraged better in our organization."
**— Ananthanarayanan Venkatesan, Vice President, HDFC Life Insurance**

"Qlik Continuous Classroom gives me access to all the information I need in one place. I use it to find out what's new in business intelligence and use it in my work."
— Marta Jasiewicz-Badowska, Application Developer, Apotex

We know all kinds of people use our Qlik® software. If you're new to our software, you need knowledge and skills to get started the right way, right away. Once you've used Qlik for awhile, you may want to discover more about our latest features or refresh your memory about how to build a report to meet a fast-approaching deadline. Our Qlik Continuous Classroom is the best resource for you to immediately access learning content that's just right for you.

Our Qlik Continuous Classroom is a self-paced training platform. It puts all the learning you need at your fingertips – anytime, anywhere, always. We understand job pressures, and that sometimes you just can't wait for an upcoming class or your busy schedule won't accommodate instructor-led training right now. Our Qlik Continuous Classroom successfully complements your continuous learning journey.

Our Approach

Role-Based Learning

We offer several different annual subscriptions, structured by user role. Each gives you access to all available product and data literacy modules for an entire year. Each learning pathway also always includes free modules!

	BUSINESS USER	BUSINESS ANALYST	DATA ARCHITECT
	FREE	**SUBSCRIPTION***	**SUBSCRIPTION***
Qlik Sense	●	●	●
QlikView		●	●
Data Literacy	●	●	●

*Individual and corporate subscriptions available

Modular Learning

We conveniently organize learning into modules that may be completed in a single sitting. We frequently add new modules and update existing modules as we release new product versions.

Video with Smart Search	Learning Aids	Assess
Average 30 min • Hands-on demos • Instantly find and fast-forward to any word spoken!	Example files • Self-paced practices • Quick reference guides	5-question quizzes • Take each as many times as you like

Prescriptive Learning

We guide your learning journey using plans customized for each role and each product, including foundational data literacy, to ensure your success with analytics.

Data Literacy	Learning Plans	Qualifications
Core data and analytics knowledge transfer • Product agnostic	By user and product • By level of expertise • Time estimate included	Available for Qlik Sense • Earn qualification and badge

Interactive Learning

Our Qlik Continuous Classroom supports a completely interactive and collaborative learning experience.

Social Collaboration	Calendar of Events	Advanced Search
Discussion forums in Qlik Community • Instructor 1-on-1 sessions	Webinars offered weekly across timezones • Releases of new and updated modules	Complete search of all platform content • Smart video search

How you get started

Qlik Q

About Qlik

Qlik is on a mission to create a data-literate world, where everyone can use data to solve their most challenging problems. Only Qlik's end-to-end data management and analytics platform brings together all of an organization's data from any source, enabling people at any skill level to use their curiosity to uncover new insights. Companies use Qlik products to see more deeply into customer behavior, reinvent business processes, discover new revenue streams, and balance risk and reward. Qlik does business in more than 100 countries and serves over 48,000 customers around the world.
